What Are Memo Posted Debits?

Memo Posted Debits are transactions that have arrived at your account but have yet to be run through the bank and posted to your account. Generally speaking these are checks that you have written that have been passed on to Palmyra State Bank to be processed and posted to your account.

If you have 3 checks that are coming to PSB to clear today: 2601 for \$50.00, 2602 for \$33.00, and 2605 for \$40.00, you will see under your Current Business Day transactions an aggregate amount of \$123.00 listed as Memo Posted Debits. Tomorrow, you will see those 3 check numbers listed individually in your Previous Business Day transactions.
